Dear Murphy Middle School Parents and Community:

Our school has been fortunate in past years to receive the support of an elite group of businesses who are Community Partners with Murphy Middle School, working toward a common goal of serving the community's parents and students. If you own or are employed by a business that would be interested in becoming a Community Partner, we would welcome you. Murphy MS serves over 1,500 students living in Murphy, Plano, Richardson, Parker, and Allen. In the past we have turned to local businesses for financial support. This support allows us to purchase items that the teachers and principal have requested to enhance the educational experience of the students. We know that your business would support our school community even without recognition, but our Murphy PTA Community Partners program wants to benefit your business as well as our school. By joining our program (your donation is tax deductible\*), we will help get your name out to the community while you are contributing to a great cause.

As a Community Partner, you may choose from several levels of giving which offer different levels of recognition. All Partners will be acknowledged in several parent-directed publications including the bi-weekly enews, the quarterly e-newsletter, and the annual fall directory. Depending on your level of giving, you have the opportunity to include on our PTA web site a color ad and live link to your business and to display your company's marketing materials/business cards at the frequent PTA programs/meetings for parents. We want our Murphy community to know who our loyal supporters are. Most importantly, however, you are making a difference in the lives of hundreds of local children, including that of your own student!

We hope that you will consider supporting us with a contribution to help our fundraising efforts for the 2009-2010 school year. The [Community Partners Agreement Form](#) outlines the different giving levels and related benefits. We would welcome the opportunity to discuss our Community Partners program with you and answer any questions you may have. Please feel free to contact us. Thank you for your support!

Sincerely,
